

# Lesson 12

## 1 Corinthians 8

### **The Traditional View of 1 Corinthians 8-10**

Under this view, Paul agrees with the \_\_\_\_\_ that they are technically correct, but he reproaches them for using their freedom in an \_\_\_\_\_ manner. Under this view, Paul agrees that the strong have the \_\_\_\_\_ to eat meat in an idol's temple. Under this view, his command to flee \_\_\_\_\_ applied only to the \_\_\_\_\_.

### **Problems with the Traditional View**

1. It assumes Chapters 8-10 were Paul's \_\_\_\_\_ words on this subject.
2. It assumes Paul was responding to an \_\_\_\_\_ inquiry from the Corinthians.
3. It assumes that some had the \_\_\_\_\_ to eat meat in an idol's temple.
4. It assumes there was a \_\_\_\_\_ between the weak and the strong.
5. It assumes that Romans \_\_\_\_\_ is a parallel passage.
6. It assumes that Paul's only problem with eating idol meat was its harm to the \_\_\_\_\_.

**First Corinthians Part 2 starts Next Week in Room 103**
