

WHAT SHALL BE DONE IN THE DRY. LK.23:31

CHRIST CRUCIFIED, SEE WHAT SIN IS: The sufferings of Christ say to us:

1. See what sin really is, by seeing the sinless one suffer for it.
2. If the green tree burned as it burned on Calvary, in misery, in anguish causing God's face to be turned away
HOW MUST IT BE IN THE DRY.

3. THE TREES: Green and Dry;

1. The green tree is the symbol of righteousness, representative of one which bears fruit.
2. The dry tree is the one who bears no fruit, READY TO BE BURNED.

4. If these things be done in the green tree how must it be in the dry? How shall he escape the conflagration, who is as the dry tree, fuel ripe for it.

1. How shall he escape the everlasting burnings who has despised the riches of God's goodness.

2. He has despised the forbearance and long suffering of God and has treasured up in himself wrath for the great day of wrath. 1 Pet.4:
